

MESSAGE FROM YOUR EDITOR

Hello Everyone, Firstly, thank you to those members who have submitted articles for this latest newsletter, we wouldn't have a newsletter without members input.

PRESIDENT'S POST

I feel quite humbled at being nominated to take up the position of President of Dunsborough Art Society (DAS), thank you for your vote of confidence.

I have been a member of DAS for a few years but nowhere as long as many of you. Since joining DAS I have realised how much work and time many of you, your partners and family put in to make things happen for DAS whether on the committee, helping with exhibitions, running classes or just encouraging others with their art experience. I would like to take this opportunity to say thank you for your past and hopefully continued support.

In addition, I have noticed that the quality of artwork entered at exhibition has improved in leaps and bounds over the years, as a result the competition for prizes and sales is now fierce, keep up the excellent work. Next month will be another opportunity to display your work at our September Exhibition. Although the exhibition is only for a few days it coincides with the start of the Margaret River Region Open Studios (MRROS) so it should bring in many art lovers to the South West and hopefully result in art sales.

Jo and I will be away during September, but we will be thinking of you whilst we are painting in France, returning with new skills and inspiration for watercolour painting. Best wishes for the September Exhibition and indeed our next prestigious annual January Exhibition

Vic Fazakerley
President, Dunsborough Art Society

MARY ATKINSON

Dunsborough Art Society A Mini History References taken from our history book .

It may be of interest to our members old and new to have a look at the background of our society which goes back many years 1959 -1960. The beginnings a group of dedicated artists lead by our founder Mrs Moria Norton.

Over the years they strived to obtain dedicated art rooms .Finally land was allocated around 1975 due to council issues and problems with Finance. No progress ensued. Until February 1991 at last a dream comes true .The Catholic Church sold the church building The Star Of The Sea church to the Busselton council . This was to become our present art rooms.

After much hard work the new art rooms was officially opened on Saturday 27 April 1991 .

How wonderful that we are here in 2025 continuing to enjoy this great space and fellowship to honour our founding
